Diversity and Community Engagement Minor

For Students Graduating in Calendar Year 2015

Required Courses (6 credit hours)

Take each of the following courses:

- SOC 2034: Diversity and Community Engagement (3 credit hours)
- SOC 4294: Diversity and Community Engagement Minor Capstone Seminar (3 credit hours) – Should be taken as the final course for fulfillment of the minor unless granted permission by the instructor.

Elective Courses (12 credit hours)

Choose four courses (12 credit hours) in four of the five areas on the approved minor List. At least 9 hours must be taken at the 3000-4000 level. Alternately, students may complete three credits hours in three of the five areas, and an additional three credit hours in an approved experiential learning project. This experiential learning project must be approved by the minor director.

Additional Requirements

Departmental pre-requisites for these courses must be satisfied.

A minimum of 18 credit hours is required.

A maximum of 6 credit hours may be taken within the same program to fulfill the electives requirement.*

A maximum of 6 credit hours may be taken at the 1000-2000 level, including the foundations course.

All courses must be taken A/F.

A minimum GPA of 2.0 in all courses taken to fulfill the minor is required.

*Due to the Department of Sociology offering both the foundational and capstone courses, students will be allowed to take only one additional course in this department. For the purposes of this minor, Africana Studies, American Indian Studies, and Women and Gender Studies are considered separate programs. Similarly, in the Religion and Culture Department, Religion, Humanities, and Appalachian Studies will be counted as separate programs.

Additional courses may be substituted for fulfillment of any of the aforementioned areas at the discretion of the minor advisor. A Course Substitution Form must be submitted. A current syllabus and course description are required for these additional courses to be considered towards the fulfillment of requirements for the Diversity and Community Engagement Minor.

Area 5: Experiential Learning

Experiential learning projects are educational opportunities that occur outside of the confines of a traditional classroom. These projects must include work related to the issues of diversity and community engagement. A student will receive three credit hours for an experiential learning provided they fulfill all of the requirements.

Examples of experiential learning projects are, but may not necessarily include the following examples:

- Service learning
- Volunteer projects
- Internships related to diversity or community work
- Undergraduate research projects
- Conflict resolution programs

Experiential Learning Projects will receive credit hours under SOC 4964: Field Study. **The minor director must approve all experiential learning projects.** Please refer to the Experiential Learning Project Handbook for guidelines and procedures.
