

How do I schedule an appointment with my advisor?

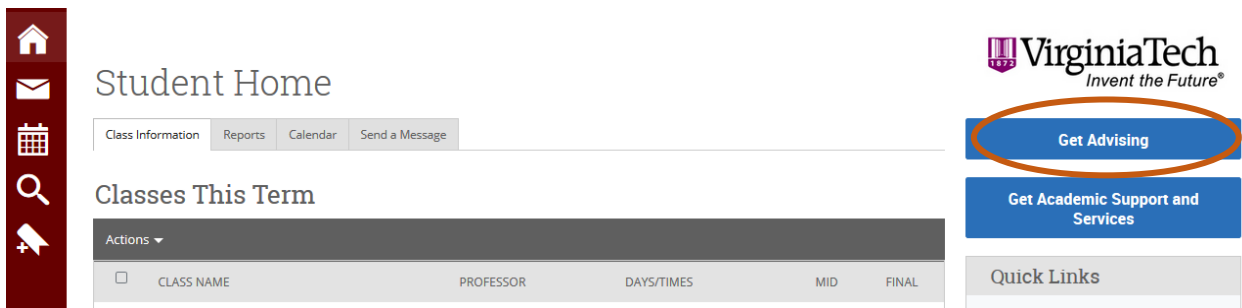

Virginia Tech is excited to offer online appointment scheduling with your undergraduate academic advisor through the Student Success Collaborative – Campus (SSC).

1. Navigate to www.registrar.vt.edu/campus to learn more about the platform and launch the new platform by clicking the “Launch SSC Platform” button.
2. Once in the platform you will see a screen similar to this:

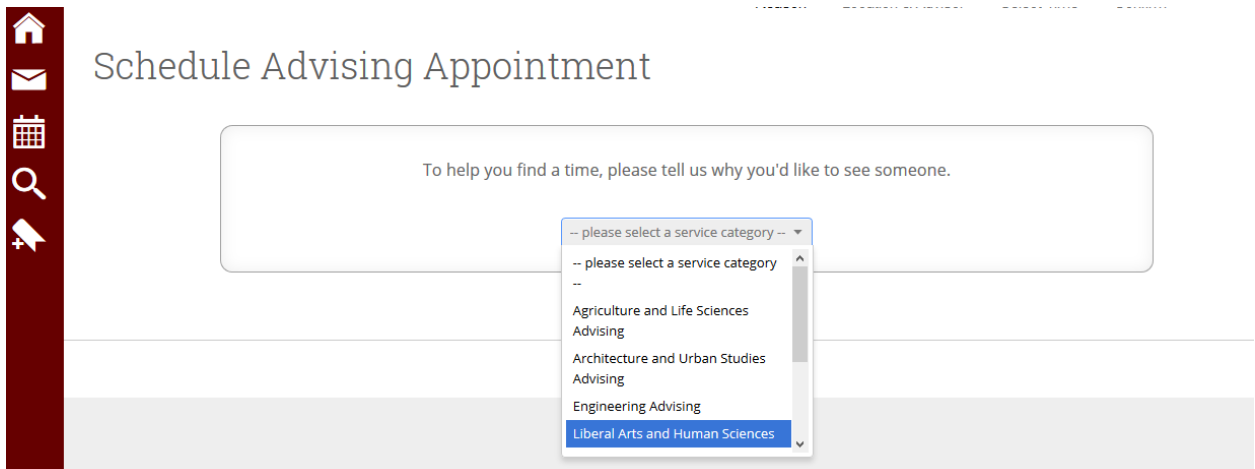

The screenshot shows the 'Student Home' dashboard. On the left is a vertical navigation bar with icons for home, mail, calendar, search, and a plus sign. The main content area has a header with 'Student Home' and the Virginia Tech logo. Below the header are tabs for 'Class Information', 'Reports', 'Calendar', and 'Send a Message'. The main section is titled 'Classes This Term' and contains a table with columns for 'CLASS NAME', 'PROFESSOR', 'DAYS/TIMES', 'MID', and 'FINAL'. To the right of the main content are three blue buttons: 'Get Advising', 'Get Academic Support and Services', and a 'Quick Links' section.

3. To schedule an appointment with your advisor, click on “Get Advising”.

This screenshot is identical to the previous one, but the 'Get Advising' button is circled in orange to indicate it should be clicked.

4. Follow the prompts to schedule an advising appointment by first selecting your college, and then major. Then continue to answer the questions to narrow down to your advisor.

The screenshot shows the 'Schedule Advising Appointment' screen. It features a vertical navigation bar on the left and a main content area with the title 'Schedule Advising Appointment'. Below the title is a text prompt: 'To help you find a time, please tell us why you'd like to see someone.' A dropdown menu is open, showing a list of service categories: '-- please select a service category --', 'Agriculture and Life Sciences Advising', 'Architecture and Urban Studies Advising', 'Engineering Advising', and 'Liberal Arts and Human Sciences' (which is highlighted in blue).
