GRAND TOTAL _____ Credits

Please note:

- Students must have a 2.0 in-major GPA in French and earn a C or better in each course for it to count towards the major.
- AP exam credit and IB diploma credit are usually awarded automatically by the Office of the University Registrar. Depending on your score, those credits may possibly be used to satisfy certain requirements for the major. Please see your French advisor as soon as possible to inquire about those substitutions.
- French courses may also be used to meet Area 2 requirements. See the current Curriculum for Liberal Education Guide.
- All French courses count in the calculation of the in-major GPA except: 1000 and 2000-level French courses, FR 2714 (HUM 2714), FR 2964, FR 2984, FR 3195-3196, FR 3404 (Eng 3404), FR 4964, FR 4974, FR 4984, FR 4994.

¹ 3125 is usually a prerequisite for 3126. For most students, the hours earned in 3125 will be in addition to the minimum of 33 credits required for the major. Based on oral interviews, students may place into 3125, into 3126, or out of 3126. Students who place out of 3126 will need to substitute for that course by taking an additional 3-credit course at the 3000 or 4000 level.

² 4314 and 4324 are variable-content, three-credit courses which may be repeated.
